About us/What we do

Fair Justice Claims is a claims management company (CMC) with a focus on financial mis-selling and financial irregularities. We help reclaim fees paid for mis-sold packaged bank accounts (PBA).

What will Fair Justice Claims do for you

Upon receipt of your signed agreement we will investigate your mis-sold fee bearing bank account claim. This means that we will try and establish whether you have had a fee-bearing bank account and whether it was mis-sold to you. To enable us to do this we ask you to supply a copy of your bank statement. If you don't have a copy, we will conduct checks with your account provider to try and find out if you have the product.

Once we have established the product exists, and that it was mis-sold to you, we will write to your account provider explaining why we think it was mis-sold and invite them to make an offer of compensation. Your account provider has up to 8 weeks in which to provide a final response, but it is not unusual for the response to take longer than this. We will tell you when we receive an offer of compensation and advise you to accept it if we believe it to be adequate. If your claim is rejected by the account provider, and we think you have a good chance of success, we will ask for your consent to refer it to the Financial Ombudsman Service for a decision. We will keep you informed at every stage of the claim and you can contact us whenever you would like an update.

In some circumstances, such as where the original bank no longer exists, it may be necessary to refer your claim to the Financial Services Compensation Scheme.

We will always act in your best interests when pursuing your claim and achieving for you the best results realistically obtainable.

If, as per your instruction, the recovered amount is paid directly to Fair Justice Claims, we will deduct our agreed fee and forward the rest of the amount awarded to you without delay. If the payment is made directly to you, which can happen, we will forward an invoice to you which is payable within 14 days of receipt. We must inform you that if your claim is successful, your product will be cancelled.

Right to cancel

We can cancel this Agreement at any time. There will be no fee payable if we tell you your claim is unlikely to succeed, and you have fulfilled your obligations. You are free to shop around and there will be no fees payable if you cancel before an offer of compensation is made.

You have the right to terminate this agreement at any time by giving notice, using the cancellation form enclosed within the client pack. Any cancellation must be made by way of a cancellation notice or by a clear statement to us.

If you have received an acceptance of liability or an offer of compensation which is in accordance with the Financial Conduct Authority, Financial Services Compensation Scheme and Financial Ombudsman Service guidance the full fee as stated is due.
